Photo

**Date and place of birth:** August 14<sup>th</sup>, 1981

**I. Education:**

*University studies:*

**2000-2005** – University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca, Faculty of Horticulture, Horticultural studies

*PHD studies:*

**2011** – PhD in Horticulture, University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca, PhD supervisor: Prof. dr. Nastasia Pop

*Areas of specialization:*

**2005-2007** – Master studies – Horticultural crops management in controlled climate, University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca

**May - July 2009** - MAKIS Course – University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca

**June 27<sup>th</sup> – July 1<sup>st</sup> 2022** – International Course of Ampelography – OIV, Montpellier, France

**II. Academic experience:**

**2022– present:** Lecturer Ph.D. - Department of Horticulture and Landscaping  
Viticulture, Ornamental viticulture, Viticultural technologies, Viticultural products, Modern technologies of grapevine propagation material

**2016 – 2020** – Teaching assistant – Department of Horticulture and Landscaping  
Viticulture, Ornamental viticulture, Viticultural technologies, Viticultural products, Ampelography

**III. Research domains of interest:**

Viticulture, Ampelography, Viticultural technologies, Grapevine propagation planting material

**IV. Professional affiliations:**

2010 – Society of Horticulture and Forestry of Transylvania (SHST)

2010 – Romanian Association of Friends of Roses

2019 – Romanian Society of Horticulturalists (SRH)

**V. Significant achievements:**

Scientific books and works: 1 book – guidance for practical works

- 50 scientific papers (of which 6 ISI papers as first author/corresponding author)

**Călugăr Anamaria**, Stegarus Diana Ionela, Tanase Corneliu, Musca Adriana, Botoran Oana Romina, Manolache Mihail, Babes Anca Cristina, Bunea Claudiu, Gal Emese, Bunea Andrea, Coldea Teodora Emilia, 2021, Influence of Oak Chips and Oak Barrel Ageing on Volatile Profile in Chardonnay Wine of Romania, Applied Sciences-Basel, 11(8): 3691 DOI10.3390/app11083691. FI=2.736

**Călugăr Anamaria**, Teodora Emilia Coldea, Carmen Rodica Pop, Tiberia Ioana Pop, Anca Cristina Babes, Claudiu Ioan Bunea, Mihail Manolache, Emese Gal, 2020, Evaluation of Volatile Compounds during Ageing with Oak Chips and Oak Barrel of Muscat Ottonel Wine, Processes, 8, 1000; doi:10.3390/pr8081000; FI=2.73

**VI. Other mentions:**

First Prize I, Second Prize II and two of Fourth Prize at the VIIIth Edition of National Contest of Table Grapes – Valea Călugărească, September 5-7<sup>th</sup>, 2022

October, 2022

**Signature,**
